Company

The traditional taste of things well done

Raw materials really fresh, certified and innovative production processes, global distribution.

A family history that, since 1984, selects and processes fresh raw materials, innovating and protecting Made in Italy and exporting it all over the world.

Thanks to numerous investments such as a modern logistics and goods handling center, we provide a complete service, differentiating production in line with the trends of an increasingly attentive and demanding market.

Production

100% Italian tomatoes for a certified flavor

From 2017 we produce peeled tomatoes, tomato pulp and tomato puree.

Our tomatoes come from Puglia, in particular from the Gargano area, and from Campania region, more precisely from Cilento, cradle of the Mediterranean Diet.

Product

**We store
the tradition,
we innovate
the production.**

For over 20 years we are specialized in production and sale of tomato paste and peeled tomatoes, legumes including peas, beans and lentils, corn, mushrooms, artichokes and fruit in syrup.

Today, thanks to a healthy diversification of production we are able to offer new products such as oil, mayonnaise and ketchup.
